# The 1966 CREST

MacArthur High School  
Irving, Texas  
Volume II

# We Proudly Dedicate . . . the 1966 Crest to Mr. W. T. Hanes

MR. W. T. HANES

Mr. W. T. Hanes, who has been superintendent of the Irving public schools since July, 1956, centers his life around the education of today's youth.

Throughout his career, Mr. Hanes has served on various committees concerned with the educational field. He has been a member of several state committees on education and was a participant of the White House Conference on Education in 1956.

For his outstanding work in his profession, Mr. Hanes received the American Educator's Medal awarded by the "Freedom Foundation at Valley Forge" in May of 1963.

It is only appropriate that the 1966 CREST should be dedicated to a man who has inspired many in the field of education and who is so devoted to the important work of teaching the American youth.

Mr. Hanes spends as much time as possible with his grandchildren, Travis and Vickie Hanes. They are pictured here at Disneyland while on summer vacation.

Superintendent Hanes accepts his copy of the first edition of MacArthur's annual, the 1965 CREST, presented by co-editor Brenda Guenther while school board president Dr. H. L. Watkins looks on. The presentation was made last May.

Mr. Hanes, who enjoys working with Irving's youth, dedicates much of his time to the improvement of the schools of Irving.

MR. ARTHUR CASEY

## Our Principal . . .

For the past three years Mr. Arthur Casey has symbolized the true Cardinal spirit through his loyalty, sportsmanship, sense of humor, and understanding for the MHS student body.

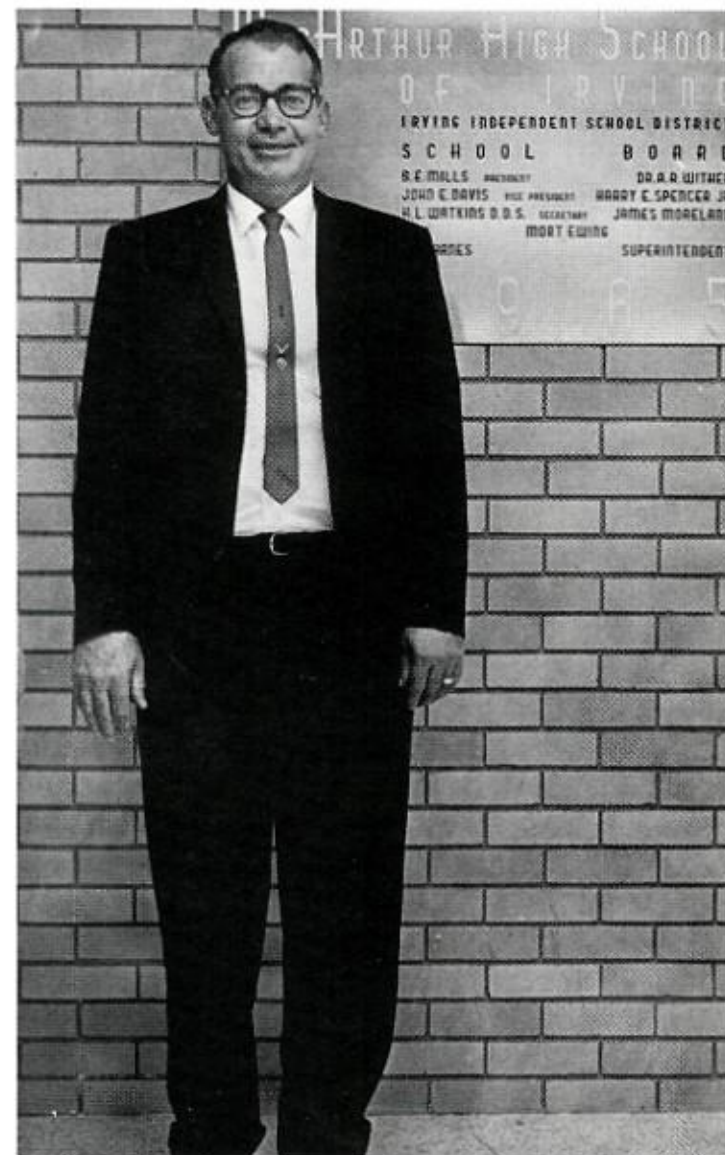

He graduated from Irving High School and received his bachelor of science and master's degree in educational administration from East Texas State University.

Before coming back to Irving, Mr. Casey taught history, driver's education, economics, and coached football in Grand Prairie, Mineral Wells, and Rosebud.

Here in Irving he has been an eighth grade coach and principal at Bowie Junior High School. Mr. Casey has also been principal at J. R. Good, Schultz, and Plymouth Park Elementary Schools before becoming MacArthur's first principal.

MR. Casey works continuously to make MHS one of the best schools in the state.

"Our Principal of Every Year" pauses during the course of a busy day.

The school board is composed of men outstanding in their own fields thus assuring that the schools of Irving will be provided the best possible facilities and teachers. The members of the Irving Independent School Board are Clinton Howard, G. M. (Chuck) Dykes, Robert Ferguson, W. T. Hanes, H. L. Watkins, James Moreland, Richard Bates, and John Davis.

# ACTIVITIES

# The Old Year Ends . . .

## "The Annual Outburst"

Last May the first "Annual Outburst" was presented by the Thespians, MacArthur's drama club.

The "Outburst" presents the highlights and special features of the CREST. At this time the announcement of the class favorites and the CREST dedication was made. The organization and athletic sweethearts and beaux and Mr. and Miss School Spirit were formally presented to the student body. Hilarious skits depicting the different sections of the yearbook were also given by the Thespian members.

Mr. Arthur Casey receives a copy of the CREST from co-editors Linn Kincannon and Brenda Guenther. The first edition of the MHS annual is dedicated to Mr. Casey.

The "great Cardinal Team" deliberates on the next play in their game against the "Tigers" of Irving High.

Two MacArthur beauties (!?), Kirk Worden and Ricky Tucker, imitate the MHS teachers while singing "Kids."

Problems, Miss Lester?

Steve Ledbetter, winner of the contest to name MacArthur's annual, is presented his copy of the 1965 CREST.

Mr. Casey, standing with the "KBOX Good Guys," smiles his approval of the MacArthur student body.

Now, let's see, who was I dancing with?!?!

## The KBOX Party

Among the several groups providing the entertainment were folk singers "Pat and Paul."

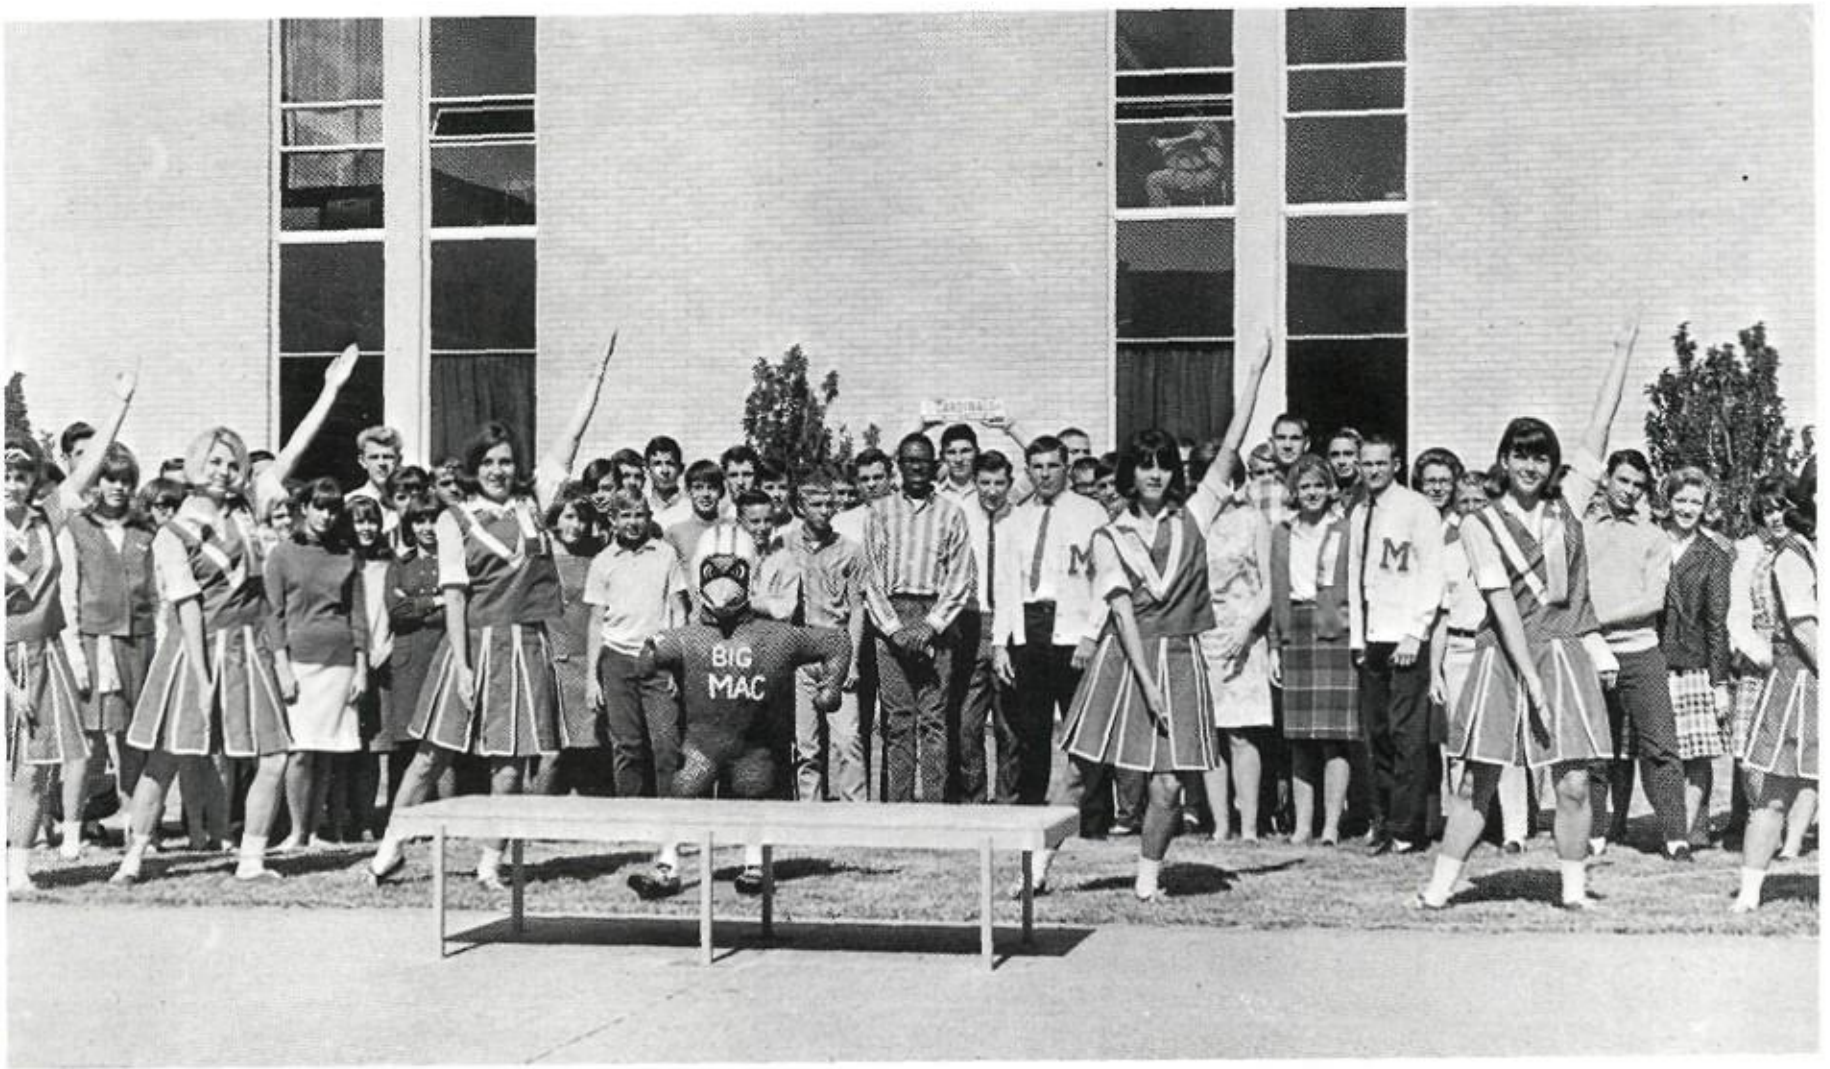

The 1964-65 year ended with a bang! MacArthur was given a party by KBOX for winning the "Principal of the Year Contest." The KBOX Party was a memorable highlight of the old year when MHS students came to show their appreciation for Mr. Casey.

A large majority of MHS students, who signed over 8,000,000 ballots, enjoy the benefit of their labor.

# The New Year

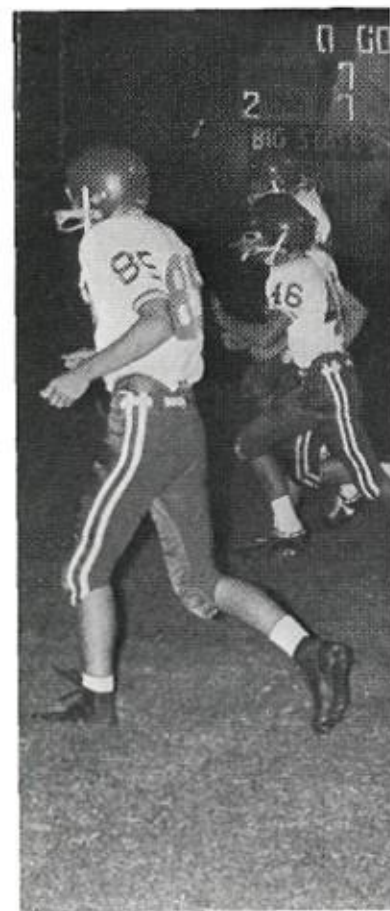

The Varsity Cheerleaders pose on the patio with a group of MacArthur spirit boosters, following a pep rally.

The Varsity

# Begins . . .

Every year MacArthur High School grows bigger and better. This year we opened the "Cardinal Doors" to almost 2000 students, excited and anxious to show the Cardinal spirit in another great year.

This year MacArthur entered 4AAAA competition in many areas. The Cardettes were a welcome addition to the spirit boosters at Mac.

Yes, the new year started off with a bang, and continued that way all year long!

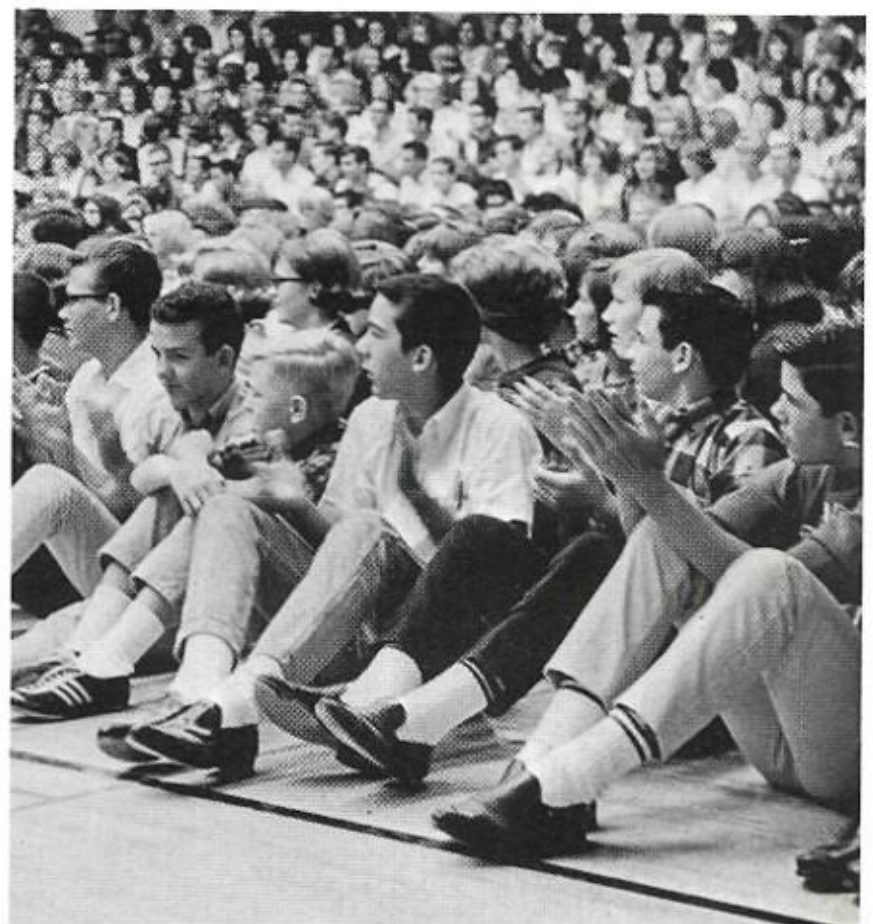

The Cardettes had a hard workout today!
